

NO HUMBLE AFFAIR

My Humble House of Tung Lok Group will wow your guests with its world-class food and attractive packages.

You might already know My Humble House as a swanky restaurant that serves fantastic food. What you may not know is that, this restaurant is also a choice location for private events such as ROM ceremonies and wedding banquets.

ART IN THE DISHES

The menu consists of private recipes from Tung Lok's creative team of chefs led by Director of Kitchens, Sam Leong.

Combining innovative cooking methods, and artistic presentation, the dishes also have creative names such as The Passion That Lasts, Knows No Bounds (Hot and Sour Broth with Freshly-peeled Crab Meat and Ginger Flower), A Duet For Love, For Life (Crisp-seared Foie Gras marinated with seven spices on Caramelised Watermelon) and Sauntering Among The Golden Leaves (Crispy Spiced Kurobuta Pork Rib in Sun-dried Tomato Reduction).
