A Timeless Classic

Good food in a chic, sleek setting – Tung Lok's latest addition seduces your senses and surprises your taste buds.

In November 2009, Tung Lok Classics opened a second outlet at Orchard Parade Hotel, replacing Club Chinois.

This latest concept restaurant brings together the essence of Chinese cuisine from Guangzhou, Shanghai, Sichuan and Hubei, offering a delectable range of signature dishes such as Tung Lok stewed pork shank, Beijing braised shark's fin with sea cucumber, abalone and fish maw in brown sauce and Shanghai wok-fried "nian gao".

Tung Lok's designer ambience adds to your sensory enjoyment, with custom-made furniture and artefacts personally sourced by Tung Lok's executive chairman, Andrew Tjioe.

For your wedding dinner, you have a choice of the grand Antica Ballroom, or the chic restaurant, which seat close to 300 guests.
