**T**he grand dame of weddings continues to impress. With more than 15 years of experience in organising many successful weddings, the team at Noble House will assure you that your big day is in good hands.

Conveniently located in the heart of Singapore's business district, Noble House remains the foremost choice of many wedding couples. Established in 1991, Noble House has been regularly voted as one of Singapore's Best Restaurants by the Singapore Tatler since 1993, and one of Singapore's Top Restaurants by Wine & Dine since 1996.

The restaurant now boasts more spacious surroundings; having undergone a recent renovation, while retaining its courtyard charm. The refurbished grand stage decorated with soothing floral motifs is an impressive feature in the restaurant.

Wedding couples can select from a choice of traditional Chinese banquet menus, meticulously prepared by Noble House's renowned masterchefs. Signature specialities include Deep Fried Sesame Prawns with Chef's Signature Sauce, Sautéed Scallops and Cuttlefish in X.O. Sauce and Braised Shark's Fin Broth with Conpoy and Crab Meat. Guests are always assured of quality service by Tung Lok's experienced banquet specialists. *bb*
