# A Regal Wedding

Who can you entrust your wedding with if not the renowned TungLok Group?

The seasoned team at TungLok Signatures (Orchard Parade Hotel) is committed to perfecting every wedding detail — from invitation cards to wedding favours, to flower arrangements to your guest book, you can be sure that all is in good hands when you work with them.

As guests arrive at the pre-wedding reception in the foyer, a carefully curated pastry bar is available to keep them happily entertained. Once seated to witness the momentous and romantic bridal march-in, a fare fit for royalty awaits. Thanks to the award-winning master chefs' skilful execution and innovative vision, TungLok Signatures have consistently offered a delectable range of traditional Chinese cuisines such as Cantonese, Shanghainese and Sichuan dishes. Every course is plated with a dash of modernity while retaining its authentic tastes. Bound to take centre stage, a stunning five-tiered model wedding cake display is also set to impress your guests.

In addition to the exquisite epicurean experience, guests who drive will be able to enjoy the convenience of complimentary car passes (limited to 25% of the guaranteed attendance on a first-come-first-served basis).

TungLok Signatures (Orchard Parade Hotel) is all for pampering the bride and the groom, which is why every wedding couple receives a complimentary one-night stay in their luxurious Bridal Suite, inclusive of light refreshments prior to the reception; along with an American Buffet Breakfast for the morning after. Additionally, those who have lent a helping hand in making your big day memorable will not be left forgotten, as a Superior Room will be prepared for your wedding party.
